2. About:

- Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.
- MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Major focus of IIC

- To create a vibrant local innovation ecosystem. Start-up supporting Mechanism in HEIs. Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework. Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas. Develop better Cognitive Ability for Technology Students.

3. Objectives:

- To drive innovation and startup ecosystem at campus.
- Connecting with ecosystem enablers at the regional and national levels.
- Faculty play the role of a mentor or guide for young minds.
- To have the adequate and right set of mentoring skills.
- To build mentorship capacity of IIC members through a series of training programs for faculty members.
- Provide support to other IICs as a resource person in organizing various programs related to innovation and startup.
- Spread the message of innovation & start-up among the students and faculties.
- To create awareness, inculcate entrepreneurial mindset.
- Bring cognizance about startups, IPR, and the importance of Innovation ecosystem enablers and facilitators among students and fellow faculty members.
- To strengthen the grassroots innovation ecosystem in the country particularly in Higher Educational Institutions.

4. Functions of IICs:

- ✓ *To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.*
- ✓ *Identify and reward innovations and share success stories.*
- ✓ *Organize periodic workshops/ seminars/ interactions on Entrepreneurship, Attitude and Behaviour Development with entrepreneurs, investors, professionals and create a mentor pool for student innovators.*
- ✓ *Network with peers and national entrepreneurship development organizations.*
- ✓ *Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.*
- ✓ *Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.*
- ✓ *Organize activities within/ outside the institute towards promoting & supporting Innovation, IPR and Start-up.*
