SUB : Training and Placement of your B.Pharm students

Dear Sir,

This has reference to our various discussions on the subject. We, in our company, provide classroom training for 2 weeks and Practical training of 1 week in reputed companies with the objective of making them Industry ready. Post Training we offer the services of these students for to the Industry Placement. We hereby consent to be associated with your College for this Activity. Looking forward to a fruitful and mutually rewarding relationship.

Kind regards

Yours sincerely,
