# Geethika Harikumar

## OBJECTIVE

To secure a teaching position at an educational institution where I can leverage my skills to create an engaging and supportive learning environment for students. As a passionate and dedicated educator, my objective is to foster intellectual curiosity, inspire academic growth, and contribute to the overall success of the institution by providing high-quality instruction and mentorship to students. Through effective communication, adaptability, and a commitment to continuous learning, I aim to make a positive impact on the educational journey of students and contribute to their future success.
