ABOUT US

KLE Society was founded in 1916 with a sole vision to enrich and empower individuals to become successful and responsible citizens. KLE Society manages more than 250 institutions by offering world class education in various areas such as medical, agriculture, engineering, law, pharmacy and paramedical sciences.

KLE Academy of Higher Education and Research (KAHER), deemed to be University is recognized by University Grants Commission (UGC), reaccruited with "A+" grade by NAAC (3rd cycle) and placed in category "A" by MOE (GoI). The University takes immense pride in its curriculum and endeavors to provide internationally accepted education and healthcare practices.

KLE College of Pharmacy, Bengaluru was the first private institution in Bangalore to offer a professional Diploma course in Pharmacy in 1976. The college introduced B. Pharm degree course in 1992 and Post- Graduation in 2003, Doctoral Degree from 2005 and Pharm.D. from 2014. B. Pharm degree course was reaccruited in 2021 for 6 years by NBA, New Delhi.

UDEHP, KAHER conducts workshop regularly for the faculty members/Research scholars/PG students to sustain the quality in education and research for its own institutions and other healthcare institutions. It is organizing a two-days workshop on "Design Thinking : A vital tool for innovation" on **September 20-21, 2024 (Friday and Saturday)** at KLE College of Pharmacy, Bengaluru-560010.

The objective of this workshop is to equip participants with a comprehensive understanding of Design Thinking principles and methodologies to foster innovative problem-solving and creative solutions in their professional and personal endeavors. By engaging in hands-on activities and collaborative exercises, attendees will learn how to:

- Understand Design Thinking
- Define Problems Effectively
- Generate Innovative Ideas
- Foster a Collaborative Culture

By the end of the workshop, participants will be able to integrate Design Thinking into their workflow to address complex challenges, drive innovation, and create impactful solutions in their respective fields.
