Bengaluru under the auspices of UDEHP, KAHER**

**KLE Society** was founded in 1916 with a sole vision to enrich and empower individuals to become successful and responsible citizens. KLE Society manages more than 300 institutions by offering world class education in various areas such as medical, agriculture, engineering, law, pharmacy and paramedical sciences.

**KLE Academy of Higher Education and Research (KAHER)**, deemed to be University is recognized by University Grants Commission (UGC), reaccruited with "A+" grade by NAAC (3<sup>rd</sup> cycle) and placed in category "A" by MOE (GoI). The University takes immense pride in its curriculum and endeavors to provide internationally accepted education and healthcare practices.

**KLE College of Pharmacy, Bengaluru** was the first private institution in Bangalore to offer a professional Diploma course in Pharmacy in 1976. The college introduced B. Pharm degree course in 1992 and Post-Graduation in 2003, Doctoral Degree from 2005 and Pharm.D. from 2014. B. Pharm degree course was reaccruited in 2021 for 6 years by NBA, New Delhi.

UNIVERSITY DEPARTMENT OF EDUCATION FOR HEALTH PROFESSIONALS (UDEHP), KAHER conducts workshop regularly for the faculty members/Research scholars/PG students to sustain the quality in education and research for its own institutions and other healthcare institutions. It is organizing a two-days workshop on "Novel Pedagogical Initiatives in Teaching" on 28<sup>th</sup> February & 1<sup>st</sup> March 2025 (Friday and Saturday) at KLE College of Pharmacy, Bengaluru-560010.

*Dear Colleagues/ Friends*

It gives us immense pleasure to invite you for the workshop on "Novel Pedagogical Initiatives in Teaching" on 28<sup>th</sup> February & 1<sup>st</sup> March 2025 being organized by KAHER's University Department of Education for Health Professionals (UDEHP).

The objective of this workshop is to equip the participants with a comprehensive understanding of principles of Teaching methodologies aimed to create a more student-centered, interactive, and engaging learning experience by leveraging technology with diverse teaching methods for professional and personal growth. By engaging in hands-on activities and collaborative exercises, attendees will

- Understand student-centered learning
- Technology integrated learning
- Generate Innovative teaching methods
- Promote collaborative & personalized learning

By the end of the workshop, participants will be able to integrate technology into their routine workflow to tailor instructions as per individual student needs and foster critical thinking and communication skills.
